About this plan & how to get care

Preferred Provider Organizations (PPOs) You'll enjoy the freedom and flexibility to access your health care where you want it and when you want it. You may seek care from any Medicare provider in the country who agrees to see you as a Medicare member, but you'll generally pay less when you use contracted providers in our network. Out-of-network providers may choose not to bill our plan and may ask you to pay for services up front. If this happens, you can fill out a claim form and submit it to us with a copy of the bill and any documentation you have about payments you have made. Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services. PPO plans do not require a prior authorization or referral for out-of-network services.

Part D prescription drugs are covered. You have access to our large network of pharmacies. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies. Our plan uses a *formulary*. Our drug plans are designed specifically for Medicare beneficiaries and include a comprehensive selection of affordable generic and brand name drugs.

Which doctors, hospitals and pharmacies can I use? Wellcare Peach State Health Plan Dual Access Open (PPO D-SNP) has a network of doctors, hospitals, pharmacies, and other providers. You may use doctors, hospitals and other providers that are not in our network, usually for a higher copay or coinsurance. You must generally use our network pharmacies for prescriptions covered under Part D drug benefit.

You can save money by using our preferred mail-order pharmacy and by using providers in the plan's network. You can see our plan's provider and pharmacy directory at go.wellcare.com/2027providerdirectories. Our complete plan Formulary (list of Part D prescription drugs) is on our website at go.wellcare.com/druglist-43.

We cover the services and items in this document and the Evidence of Coverage if they are medically necessary.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

We can send materials to you in a language other than English or in an alternate format (such as braille, audio, or large print). For more information, or to request information in an alternate format, please call us at 1-844-480-0680 (TTY users should call 711). Hours are: Between October 1 and December 15, representatives are available Sunday–Saturday, 8 a.m. to 8 p.m. Between December 16 and September 30, representatives are available Monday–Saturday, 8 a.m. to 8 p.m. (all time zones).

Understanding Dual Eligibility

Dual Eligible Special Needs Plans (DSNPs) are specialized Medicare Advantage plans that provide healthcare benefits for beneficiaries that have both Medicare and Medicaid coverage.

Medicaid is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources. Medicaid benefits are valuable because the state provides additional healthcare coverage and financial support based on your Medicare Savings Program (MSP) level. Medicaid coverage varies depending on the state and the type of Medicaid you have. What you pay for covered services may depend on your level of Medicaid eligibility. Some people with Medicaid get help paying for their Medicare premiums and other costs. Other people may also get coverage for additional services and drugs that are covered under Medicaid but not by Medicare.

Medicare Savings Program (MSP) Levels

- ***Full-Benefit Dual Eligible (FBDE):*** Medicaid may pay for your Medicare Part A & B premiums, deductibles, coinsurances, and copayments. Eligible beneficiaries also receive full Medicaid benefits.
- ***Qualified Medicare Beneficiary (QMB):*** Medicaid will pay for your Medicare Part A & B premiums, deductibles, coinsurances, and copayments. (Some people with QMB are also eligible for full Medicaid benefits (QMB+)).
- ***Specified Low-Income Medicare Beneficiary (SLMB):*** Medicaid will absorb the cost of your Medicare Part B Premiums. Some people with SLMB are also eligible for full Medicaid benefits (SLMB+).
- ***Qualified Individual (QI):*** Medicaid will pay costs associated with Medicare Part B.
- ***Qualified Disabled Working Individual (QDWI):*** Medicaid will pay costs associated with Medicare Part A.

Note: Some MSP levels automatically qualify for Extra Help for Medicare prescription drug coverage assistance. Some states do not cover Parts A & B cost sharing.

What is Extra Help?

A Low Income Subsidy (LIS), also referred to as Extra Help, may be available to help you with Part D out-of-pocket expenses such as premiums, deductibles, coinsurance, or copayments. Many people qualify for the Extra Help Program and don't even know it. Keep in mind that assistance may also depend on your Medicare Savings Program (MSP) level and your dual eligible status.

If you have questions about your Medicaid eligibility and what benefits you are entitled to, call the number listed on the back cover of this document.

There are services that are not covered by our plan but are available through Georgia Medicaid. Refer to the Summary of Medicaid-Covered Benefits section later in this document for more information.

Deductible	$0 or The Part B deductible was $283 for select Part B services. This is based on Original Medicare's 2026 costs and may change in 2027. You can contact Member services or check the plan's website for updates after November 1. However, out-of-network providers that are not enrolled in your state Medicaid may charge the deductible amount depending on your Medicaid eligibility category.

Part D Prescription Drug Coverage	Wellcare Peach State Health Plan Dual Access Open (PPO D-SNP) H0111, Plan 004, 000
Stage 1: Yearly Deductible Stage	
If a plan has a Part D drug deductible, the deductible doesn't apply to covered insulin products and most adult Part D vaccines including shingles, tetanus and travel vaccines.	
Deductible	Because you get Extra Help, you do not pay a deductible for Part D drugs. This payment stage doesn't apply.
Stage 2: Initial Coverage Stage (after you pay your deductible, if applicable)	
You stay in the Initial Coverage Stage until your total out-of-pocket costs reach $2,400. You then move on to the Catastrophic Coverage Stage.	
What You Pay for Vaccines: Our plan covers most Part D vaccines at no cost to you, even if you have not paid your deductible (if your plan has a deductible).	
What You Pay for Insulin: You won't pay more than $35 for a 1-month supply, $70 for up to a 2-month supply or $105 for up to a 3-month supply of each covered insulin product regardless of the cost-sharing tier, even if you have not paid your deductible (if your plan has a deductible).	
What you pay for other Part D Drugs: The cost share you pay depends on your level of Extra Help.

	You enter this stage after your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach $2,400.	

Generic drugs may be covered on tiers other than Tier 1. Please check this plan's Formulary to validate the specific tier on which your drugs are covered.

Cost-sharing may differ based on point-of-service (mail-order, retail, Long Term Care (LTC), home infusion), whether the pharmacy is in our preferred or standard network, or the day supply received. A one-month (34-day or less) prescription is not covered at mail-order.

Excluded Drugs:

Wellcare Peach State Health Plan Dual Access Open (PPO D-SNP) includes enhanced drug coverage of certain excluded drugs, such as Tier 1 folic acid, vitamin B12, vitamin D2, generic only sildenafil and vardenafil. Generic sildenafil and vardenafil have a quantity limit of six pills every 30 days.

Because these drugs are excluded from Part D coverage under Medicare, they are not covered by Extra Help. Also, the amount you pay when you fill a prescription for these drugs does not count toward qualifying you for the Catastrophic Coverage Stage.

Please see your Formulary and Evidence of Coverage for details regarding this drug coverage.

Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage, and it can help you manage your drug costs by spreading them across monthly payments that vary throughout the year (January – December).

To learn more about this payment option, please contact us at 1-833-750-9969. (TTY only, call 1-800-716-3231.) We are available for phone calls 24 hours a day, 7 days a week or visit go.wellcare.com/MPPP.

Hours are Between October 1 and December 15, representatives are available Sunday–Saturday, 8 a.m. to 8 p.m. Between December 16 and September 30, representatives are available Monday–Saturday, 8 a.m. to 8 p.m. (all time zones).

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit go.wellcare.com/Medicare or call 1-844-480-0680 (TTY: 711) to view a copy of the EOC. Hours are Between October 1 and December 15, representatives are available Sunday–Saturday, 8 a.m. to 8 p.m. Between December 16 and September 30, representatives are available Monday–Saturday, 8 a.m. to 8 p.m. (all time zones).
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2028.
- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use. If you have a Marketplace plan, you will need to contact the Marketplace to cancel the plan. If you do not cancel your Marketplace plan, you may be paying for coverage you cannot use and there may be penalties on your next year's tax return.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
- ☐ This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.

Wellcare is the Medicare brand for Centene Corporation, an HMO, PPO, PDP plan with a Medicare contract and is an approved Part D Sponsor. Our D-SNP plans have a contract with the state Medicaid program. Enrollment in our plans depends on contract renewal.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
