You must continue to pay your Medicare Part B premium if not otherwise paid for under Florida Medicaid or by another third party.

Our service area includes these counties in Florida: Citrus, Hernando, Hillsborough, Pasco, Pinellas, and Polk.

About this plan & how to get care

Health Maintenance Organizations (HMOs) are health care plans offered by an insurance provider with a network of contracted healthcare providers and facilities. HMOs generally require members to select a primary care provider (PCP) to coordinate care and if you need a specialist, the PCP will choose one who is also in our network.

Health Maintenance Organizations-Point of Service (HMO-POS) plans are HMOs with the Point-of-Service (POS) benefit. The POS benefit allows members to get care from out-of-network providers for routine dental services as shown in the "Benefits" section of this document. Your out-of-pocket costs may be higher if you use out-of-network providers. You don't need a referral to go out-of-network for your POS benefit. However, before getting services from out-of-network providers, you may want to confirm with us that the services are covered by us. If we later determine that the services are not covered, we may deny coverage and you will have to pay the costs. Please call our Member Services number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Our plan gives you access to our network of skilled medical providers in your area. You can look forward to choosing a primary care provider (PCP) to work with you and coordinate your care. **Please note** that, if you go elsewhere without proper authorization, you will have to pay in full. Neither Medicare nor our

plan will be responsible for the costs. The only exceptions are emergencies, urgently needed services when the network is not available (that is, in situations when it is unreasonable or not possible to obtain services in-network), out-of-area dialysis services, and cases in which Wellcare Giveback (HMO-POS) authorizes use of out-of-network providers.

Part D prescription drugs are covered. You have access to our large network of pharmacies. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies. Our plan uses a *formulary*. Our drug plans are designed specifically for Medicare beneficiaries and include a comprehensive selection of affordable generic and brand name drugs.

Which doctors, hospitals and pharmacies can I use? Wellcare Giveback (HMO-POS) has a network of doctors, hospitals, pharmacies, and other providers. You may use out-of-network providers for routine dental services. For all other services, you must use providers that are within our network, or the plan may not pay for the service.

You can save money by using our preferred mail-order pharmacy and by using providers in the plan's network. You can see our plan's provider and pharmacy directory at go.wellcare.com/2027providerdirectories. Our complete plan Formulary (list of Part D prescription drugs) is on our website at go.wellcare.com/druglist-51.

We cover the services and items in this document and the Evidence of Coverage if they are medically necessary.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

We can send materials to you in a language other than English or in an alternate format (such as braille, audio, or large print). For more information, or to request information in an alternate format, please call us at 1-844-480-0680 (TTY users should call 711). Hours are: Between October 1 and December 15, representatives are available Sunday–Saturday, 8 a.m. to 8 p.m. Between December 16 and September 30, representatives are available Monday–Saturday, 8 a.m. to 8 p.m. (all time zones).

Part D Prescription Drug Coverage	Wellcare Giveback (HMO-POS) H1032, Plan 200, 000
Stage 1: Yearly Deductible Stage	
If a plan has a Part D drug deductible, the deductible doesn't apply to covered insulin products and most adult Part D vaccines including shingles, tetanus and travel vaccines.	
Deductible	$700 for Part D prescription drugs (this applies to drugs on Tier 2 (Preferred Brand), Tier 3 (Non-Preferred Drug), Tier 4 (Injectable Drugs), and Tier 5 (Specialty Tier)). For all other covered drugs, you will not have to pay any deductible and will start receiving coverage immediately.
Stage 2: Initial Coverage Stage (after you pay your deductible, if applicable)	
You stay in the Initial Coverage Stage until your total out-of-pocket costs reach $2,400. You then move on to the Catastrophic Coverage Stage.	
What You Pay for Vaccines: Our plan covers most Part D vaccines at no cost to you, even if you have not paid your deductible.	
What You Pay for Insulin: You won't pay more than $35 for a 1-month supply, $70 for up to a 2-month supply or $105 for up to a 3-month supply of each covered insulin product regardless of the cost-sharing tier, even if you have not paid your deductible.

	You enter this stage after your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach $2,400.	

Generic drugs may be covered on tiers other than Tier 1. Please check this plan's Formulary to validate the specific tier on which your drugs are covered.

Cost-sharing may differ based on point-of-service (mail-order, retail, Long Term Care (LTC), home infusion), whether the pharmacy is in our preferred or standard network, or the day supply received. A one-month (34-day or less) prescription is not covered at mail-order.

Excluded Drugs:

Wellcare Giveback (HMO-POS) includes enhanced drug coverage of certain excluded drugs, such as Tier 1 folic acid, vitamin B12, vitamin D2, generic only sildenafil and vardenafil. Generic sildenafil and vardenafil have a quantity limit of six pills every 30 days.

Because these drugs are excluded from Part D coverage under Medicare, they are not covered by Extra Help. Also, the amount you pay when you fill a prescription for these drugs does not count toward qualifying you for the Catastrophic Coverage Stage.

Please see your Formulary and Evidence of Coverage for details regarding this drug coverage.

Understanding Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2028.
- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use. If you have a Marketplace plan, you will need to contact the Marketplace to cancel the plan. If you do not cancel your Marketplace plan, you may be paying for coverage you cannot use and there may be penalties on your next year's tax return.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers) for certain services. However, while we will pay for certain covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.

Wellcare is the Medicare brand for Centene Corporation, an HMO, PPO, PDP plan with a Medicare contract and is an approved Part D Sponsor. Our D-SNP plans have a contract with the state Medicaid program. Enrollment in our plans depends on contract renewal.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
