Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-877-237-1303** (TTY 1-888-542-3821), **7 days a week, 8am–8pm**.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **HFMedicareMaterials.org** or call **1-877-237-1303** (TTY 1-888-542-3821) to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the Healthfirst network. If they are not listed, it means you will likely have to select new doctors, or enroll in a PPO plan to visit out-of-network providers.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for prescription medicines is in the Healthfirst network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding the Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums, and/or copayments/coinsurance may change on **Jan. 1, 2028**.
- ☐ For an HMO plan, except in emergency or urgent situations, we do not cover services from out-of-network providers (doctors who are not listed in our provider directory).
- ☐ For a preferred provider organization plan (PPO), you are allowed to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services you receive from non-contracted providers.
- ☐ For a dual-eligible special needs plan (D-SNP), your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
- ☐ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your existing plan coverage will end once your new Medicare Advantage plan coverage starts. If you currently have TRICARE,® your coverage may be affected once your new Medicare Advantage plan coverage starts. Please contact TRICARE for more information. If you have a Medigap plan, once your new Medicare Advantage plan coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

Important Tips

Use in-network providers and pharmacies.

Healthfirst Signature (HMO) has a network of doctors, hospitals, pharmacies, and other providers at 100,000+ locations.* If you use providers or pharmacies that are not in our network, the plan may not pay for those services or drugs, or you may pay more than you pay at a pharmacy in the Healthfirst network.

Browse our provider/pharmacy directory.

The best way to find a doctor or specialist and pharmacy in the Healthfirst network is to visit **HFDocFinder.org**. You may also stop by one of our convenient community offices (visit **healthfirst.org** to find one near you). Or call us at **1-877-237-1303** (TTY 1-888-542-3821) for assistance.

Check the Healthfirst formulary.

The formulary is a list of prescription drugs (both generic and brand name) covered by the health plan. To download a copy of this Healthfirst's plan's formulary, visit **HFMedicareMaterials.org**. You can also pick one up at a Healthfirst Community Office, or call us at **1-877-237-1303** (TTY 1-888-542-3821) for assistance. Find out more about your costs for covered drugs later in this document.

Healthfirst members can request printed copies of our Provider/Pharmacy Directory and/or Formulary by calling Member Services and we will mail them.

Read the Medicare & You handbook.

This guide from the Centers for Medicare & Medicaid Services (CMS) helps you understand your Medicare choices. Visit **medicare.gov/medicare-and-you** to view this handbook online or order a copy by calling **1-800-MEDICARE (1-800-633-4227)**. TTY users should call 1-877-486-2048. You can call 24 hours a day, 7 days a week. You can also download a copy of the handbook by visiting **medicare.gov/medicare-and-you/medicare-and-you.html**.

Medicare Part D Prescription Drug Coverage

Your drug costs depend on three factors:

1. Your plan's drug deductible
2. Your drug's tier
3. The Part D Prescription Drug Coverage Stage that you're currently in

There are six drug tiers and three stages of Part D prescription drug coverage (set by the Centers for Medicare and Medicaid Services). See the chart on the next page.

- Check the Healthfirst plan's formulary (list of approved drugs) at **healthfirst.org/formularies** to see if your prescription drug is covered and find out which drug tier it's in. All drugs in Tier 1 (Preferred Generic Drugs) and Tier 6 (Select Care Drugs) are not subject to the drug deductible and have a $0 copay.
    - Healthfirst members can request printed copies of our Provider/Pharmacy Directory and/or Formulary by calling Member Services and we will mail them.
- Starting at the beginning of the year, you pay only the copay for Tier 2 drugs, without having to pay a deductible first. For Tiers 3, 4, and 5 drugs, you must pay the full price of the drug until you meet the annual $550 deductible before the plan helps pay for the costs of these drugs. Once you meet the deductible, you will pay the copay or coinsurance for these drugs until you reach the initial coverage limit.
- Next, look at your Part D Prescription Drug Coverage Stage. You start at the Deductible Stage and move forward as the total dollars spent on your drugs increases. Depending on which stage you're in, your 30-day supply cost will change.
    - **Deductible Stage** - You pay the full cost of Tier 3, 4, and 5 drugs until your deductible is met (Tier 1 and Tier 6 drugs are always $0).
    - **Initial Coverage Stage** - You pay your share of the drug cost, and your plan will pay its share.
    - **Catastrophic Stage** - Plan pays the full cost of the drug, so your cost is $0 for the remainder of the year.

Medicare Part D Prescription Drug Coverage

	Deductible Stage	Initial Coverage Stage	Catastrophic Stage
	→	→	
Total dollars spent on drugs (what you paid, or what your plan paid year to date)	$550	$550.01–$2,400	$2,400.01+
Your 30-day supply cost, depending on drug tier and Part D Prescription Drug Stage			
Tier 1 Preferred Generic Drugs	$0 copay	$0 copay	$0 copay
Tier 2 Generic Drugs	$2 copay	$2 copay	$0 copay
Tier 3 Preferred Brand and Non-Preferred Generic Drugs	Full cost of drugs	19% coinsurance	$0 copay
Tier 4 Non-Preferred Drugs	Full cost of drugs	45% coinsurance	$0 copay
Tier 5 Specialty Drugs	Full cost of drugs	27% coinsurance	$0 copay
Tier 6 Select Care Drugs	$0 copay	$0 copay	$0 copay

Getting your prescriptions is easy with Healthfirst

Whether it's your first time filling a prescription or you're getting a third refill, Healthfirst can help make sure you get the medications you need.

You have three (3) convenient ways to get your prescriptions:

1. **Home Delivery (to your door)**

   Check with your current pharmacy, since many offer free delivery. If they do not, call us and we'll help you find pharmacies near you that offer delivery to your doorstep.

2. **Mail Delivery**

   Ensure you have your maintenance medications on hand. Call us for help finding a pharmacy that offers convenient mail delivery.

3. **Neighborhood Pharmacy**

   Pick up your prescriptions from a local pharmacy in your neighborhood:

   - You can go to any pharmacy in the Healthfirst network
   - Visit **HFDocFinder.org** to find one near you

   There may be some pharmacies near you that can provide extra services at no additional cost to you, such as:

   - Coordinating your different refills so you can pick them all up on the same day, at the same time
   - Grouping your daily prescriptions in packets so they're easier to take each day
   - Offering health coaching

Want more savings and convenience with your prescriptions? Ask your doctor to prescribe 90-day supplies of your medications whenever possible. You won't have to go to the pharmacy every month anymore!

Healthfirst members who need help getting their prescriptions can call the Healthfirst pharmacy team at **1-844-347-2955**. We're ready to help you get the medications you need.

Frequently Asked Questions

About Healthfirst Signature (HMO)

Who can join the Healthfirst Signature (HMO)?

To join Healthfirst Signature (HMO), you must be entitled to Medicare Part A, be enrolled in and continue to pay for Medicare Part B, and live in the Healthfirst Signature (HMO) service area. Our service area includes the following counties in New York: Bronx, Kings, Nassau, New York, Orange, Queens, Richmond, Rockland, Sullivan, and Westchester. While anyone can join Healthfirst Signature (HMO), the plan is designed for people who don't qualify for programs that help pay Medicare costs like Extra Help or Medicaid. If you think you may qualify for any of these programs, please call us and we'll help you find a Healthfirst plan that's right for you. Call **1-877-237-1303**, 7 days a week, 8am–8pm (TTY 1-888-542-3821).

Which doctors, hospitals, and pharmacies can I use?

Healthfirst Signature (HMO) has a network of doctors, hospitals, pharmacies, and other providers. You are required to use providers in our network. If you use providers that are not in our network, the plan may not pay for these services. We recommend that you use network pharmacies to fill your prescriptions for covered Part D drugs. You can see our plan's provider and pharmacy directory on our website at **HFDocFinder.org**. Or call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers—and more. Here are some medical costs that Healthfirst covers and Original Medicare does not:

- Routine eye exams and eyeglasses
- Prescription drugs
- Hearing checkups and hearing aids
- Dental care

Comparing Healthfirst Signature (HMO) with other insurance options

How is Healthfirst Signature (HMO) different from Original Medicare?

This plan offers additional benefits on top of Original Medicare (like dental, vision, hearing and acupuncture) and may be right for you if you do not qualify for extra financial help.

How is Healthfirst Signature (HMO) different from other Medicare HMOs?

Unlike other HMOs, you don't need a referral to see a specialist with Healthfirst Signature (HMO).

Plan costs

How will I determine my drug costs?

Our plan groups each medication into one of six "tiers." See chart on page 26 for a general overview of your drug costs. To find out which tier your drug is on and determine how much it will cost you, check your plan's approved drug list at **healthfirst.org/formularies**. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. In the Medicare Part D Prescription Drug Coverage section (page 26), we discussed the benefit stages that occur: Deductible Stage, Initial Coverage, and Catastrophic Coverage.

Will I have to pay a monthly premium or deductible?

For medical and hospital services, Healthfirst Signature (HMO) has:

- a $60 Part C premium for members in Bronx, Kings, New York, Queens, Richmond, or Nassau counties
- a $92 Part C premium for members in Orange, Rockland, Sullivan, or Westchester counties

There is an annual deductible of $550 for Tier 3, 4, and 5 prescription drugs. For Tier 1, 2, and 6 drugs, there is no deductible.

Whom should I contact if I need help with healthcare costs?

Contact us at **1-877-237-1303** (TTY 1-888-542-3821).

Glossary

Ambulatory Surgery Center

A facility that exclusively provides outpatient surgical services to patients not requiring hospitalization and whose expected stay does not exceed 24 hours.

Benefit Period

A benefit period begins the day you're admitted as an inpatient at a hospital or skilled nursing facility (SNF). The benefit period ends when you haven't gotten any inpatient hospital care (or skilled care in a SNF) for 60 days in a row. If you go into a hospital or a SNF after one benefit period has ended, a new benefit period begins. There's no limit to the number of benefit periods.

Bone Mass Measurement

Measures bone density to determine whether a patient has osteoporosis (bone disease).

Cardiovascular Screening

Test for heart disease.

Coinsurance

The percentage of costs of a covered healthcare service you pay after you've paid your deductible. Your insurance company pays the rest.

Example: A common coinsurance is 20%. In this case, after you meet your deductible, Healthfirst will pay 80% of the cost. You will pay the remaining 20% of the cost.

With Original Medicare, you will pay a 20% coinsurance for most outpatient services. However, with the Healthfirst Signature (HMO) Plan, you'll pay a lower copay for many of those same services.

Colonoscopy

Medical procedure where a long, flexible, tubular instrument is used to view the entire inner lining of the colon (large intestine) and the rectum.

Copayment (or copay)

A set fee that you pay each time you go to the doctor, get a prescription drug filled, or get other services.

Example: If your health plan has a $10 PCP copayment, you must pay $10 for a checkup with your primary care provider (PCP).

Cost Sharing

The general term for your health expenses, including deductibles, coinsurance, and copayments.

Covered Service

A service that you are entitled to and which your plan will cover under the terms of your plan. Some cost sharing may apply.

CT

Computed tomography is a medical 3-D imaging technique.

Deductible

The amount of money you must pay (if applicable) in covered expenses each year before your plan or program pays anything for certain covered services. The deductible may not apply to all services.

Example: If your deductible is $500, you need to spend $500 for covered healthcare services within one year before your plan or program will start paying for your health services. Your deductible resets at the beginning of the year.

Diabetes Screening

Test for high blood sugar levels.

Dual-Eligible Individual

A person who qualifies for both Medicare and Medicaid coverage.

Effective Date

The date on which your plan coverage begins.

Evidence of Coverage (EOC)

The EOC gives you details about what the plan covers, how much you pay, and more.

Explanation of Benefits (EOB)

A form that you will receive that explains the treatments you received, the portion of the cost that is covered under your plan, and the amount left that you may have to pay or may have already paid directly to your provider.

Extra Help

Also known as the "Low-Income Subsidy." People who qualify for this program get help paying their plan's monthly premiums, as well as the yearly deductible and copayments for their prescription drugs.

If you are unsure of your Extra Help status, contact **1-877-237-1303** (TTY 1-888-542-3821) or Social Security at **1-800-772-1213**.

Formulary

A list of prescription drugs (both generic and brand name) covered by your health plan.

This may also be called a list of Part D prescription drugs or Drug List.

Health Maintenance Organization (HMO)

A type of health insurance plan. In most HMOs, you can only go to the hospitals, doctors, and other healthcare providers that have agreements with the plan, except in an emergency. Some HMOs require you to get a referral from your primary care doctor before seeing a specialist. (Healthfirst does not require any HMO members to get referrals for in-network specialist care.)

Hospital Affiliation

Shows the hospital(s) where a doctor/provider can treat patients.

In-Network Provider

The doctors and hospitals that are part of the Healthfirst network and that provide healthcare to our members.

Inpatient

An inpatient hospital stay is when a doctor admits you into the hospital for treatment.

Mammogram

A diagnostic X-ray of the breast.

Maximum Out-of-Pocket (MOOP)

The annual limit on your out-of-pocket costs for services covered by your plan (i.e., the sum of the deductible, copay, and coinsurance amounts). Once you reach this amount, you do not pay anything for most services. This does not include your monthly premium costs, any charges from out-of-network healthcare providers, prescription drugs, or services that are not covered by the plan.

Remember, Original Medicare does not have a MOOP or any cap on spending, so your healthcare expenses can be very high over the course of a year.

Medicaid

A joint federal and state program that helps with medical costs for some people with limited income and resources. Medicaid programs vary from state to state, but most healthcare costs are covered if you qualify for both Medicare and Medicaid.

Medicare Savings Program

A Medicaid program that helps people with limited income and resources pay some or all of their Medicare premiums, deductibles, and coinsurance.

MRI

Magnetic resonance imaging (MRI) uses a strong magnetic field to create detailed images of your organs and tissues.

Network

A group of doctors and hospitals contracted to provide healthcare services to members of a health plan.

Original Medicare

Fee-for-service coverage under which the government pays your healthcare providers directly for your Part A (Hospital) and/or Part B (Medical) benefits.

Out-of-Network Provider

A healthcare provider (doctor or hospital) that is not a part of a plan network. You will typically pay more if you use a provider that is not in your plan network. Except for emergency and urgent care services, the plan will not cover out-of-network care without a prior authorization.

Outpatient

Medical services that do not require an overnight hospital stay.

Part A

Hospital insurance that helps cover inpatient care in hospitals and inpatient stays in a Skilled Nursing Facility (SNF) (not custodial or long-term care), hospice care services, and home health care services.

Part B

Medical insurance that helps cover physician services, outpatient care, and other medical services that Part A doesn't cover. Part B also covers durable medical equipment (e.g. wheelchairs, walkers, hospital beds, and other equipment) as long as they're medically necessary.

Part C

Medicare Advantage (also known as "Part C") is a type of Medicare health plan offered by a private company that contracts with Medicare. These plans include Part A, Part B, and usually Part D. Plans may offer some extra benefits that Original Medicare doesn't cover.

Part D

A program that helps pay for prescription drugs for people with Medicare who join a plan that includes Medicare prescription drug coverage. There are two ways to get Medicare prescription drug coverage: through a Medicare Prescription Drug Plan or a Medicare Advantage Plan that includes drug coverage. These plans are offered by insurance companies and other private companies approved by Medicare. Plans may also offer prescription drug coverage that follows the same rules as Medicare Prescription Drug Plans.

Preauthorization/Precertification (also known as Prior Authorization)

Some healthcare plans, including Healthfirst, require you to check with them before you get certain services. This is to make sure that these healthcare services are necessary and are covered before you get them so that you will not be responsible for the entire cost. Preauthorization is required for many services, but it is not required in an emergency.

Preferred Provider Organization (PPO)

A type of health plan that contracts with medical providers, such as hospitals and doctors, to create a network of participating providers. You pay less if you use providers that belong to the plan's network. You can use doctors, hospitals, and providers outside of the network for an additional cost.

Premium

The amount of money some members must pay monthly, quarterly, or twice a year to be covered by a health insurance plan or program.

If you are having trouble affording your monthly Part B premium, contact us at **1-877-237-1303** (TTY 1-888-542-3821) to see if you may be eligible for a Medicare Savings Program.

Preventive Care Services

Services you receive from your doctor that help prevent disease or to identify disease while it is more easily treatable. Under Healthcare Reform, most of these services are 100% covered by your insurance plan, which means that you will not have to pay for them.

Primary Care Provider (PCP)

Your primary doctor (also known as a primary care provider or PCP) is the doctor who provides you with basic healthcare and preventive services to help make sure you stay healthy. Your PCP coordinates most of your care, and may refer you to specialists. Your primary care is covered only when you see your PCP, but Healthfirst members may change their PCP at any time by calling Member Services.

Referral

A written order from your primary care doctor for you to see a specialist or get certain services. In many HMOs, you need to get a referral before you can get care from anyone except your primary care doctor. If you don't get a referral first, the plan may not pay for your care.

Healthfirst HMO plans do not require you to get a referral to see an in-network specialist.

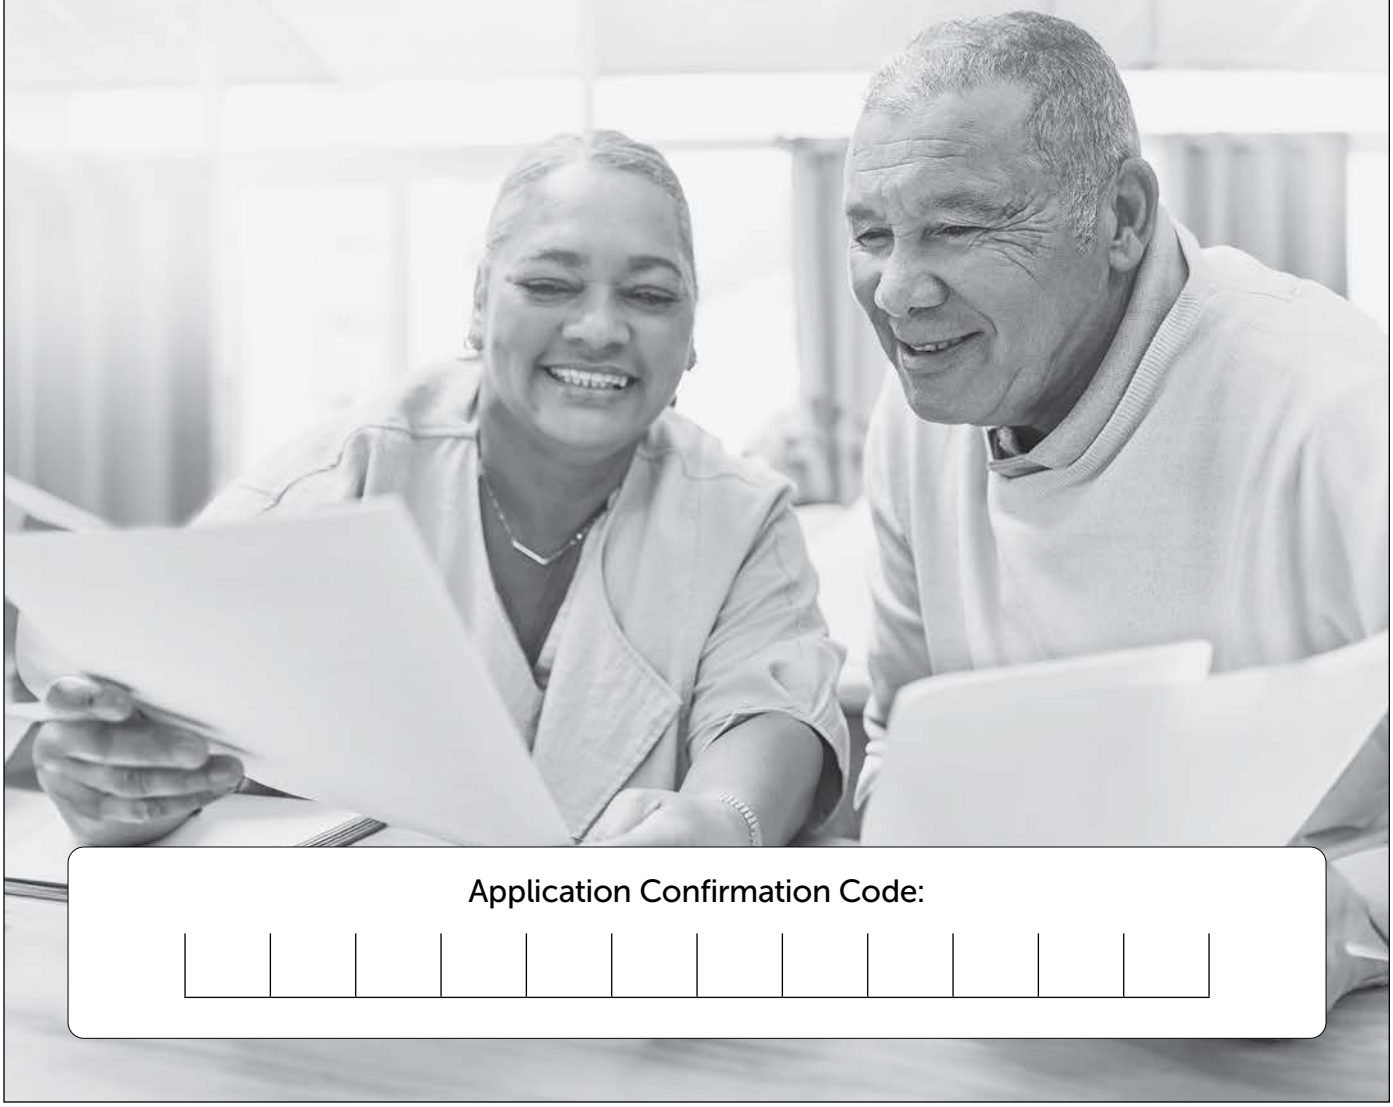

Special Needs Plan (SNP)

Medicare Special Needs Plans are a type of Medicare Advantage plan designed for certain types of people with Medicare. Some Special Needs Plans are for people with certain chronic diseases and conditions, some are for people who have both Medicare and Medicaid, and some are for people who live in an institution such as a nursing home.

Medicare Star Ratings

Understanding the Medicare Star Ratings for your Healthfirst Medicare Advantage plan*

How do Star Ratings work?

The federal government (the Centers for Medicare & Medicaid Services, also known as CMS) uses information from member satisfaction surveys, plans, and healthcare providers to rate Medicare Advantage plans.

Medicare Advantage plans are rated on how well they perform. Each plan receives a rating that ranges from one star (lowest) to five stars (highest). Star Ratings are calculated each year and may change from one year to the next.

If you did not receive a copy of the Medicare Star Ratings from your Healthfirst sales representative along with this booklet, please visit **HFMedicareMaterials.org** or call Healthfirst at **1-888-260-1010** (TTY 1-888-542-3821) to get a copy.

*Every year Medicare evaluates plans based on a 5-star rating system.
