WISCONSIN-Medical with Part D
Medica Prime Solution® (Cost) Plans

Summary of Benefits

January 1, 2027 – December 31, 2027

This is a summary of drug and health services covered by **Medica Prime Solution Thrift w/Rx and Focus w/Rx.**

This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the *Evidence of Coverage*.

You have choices about how to get your Medicare benefits

One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.

Another choice is to get your Medicare benefits by joining a Medicare Cost plan (such as **Medica Prime Solution Thrift w/Rx** or **Focus w/Rx**).

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **Medica Prime Solution** plans cover and what you pay. If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on www.medicare.gov.

If you want to know more about the coverage and costs of Original Medicare, look in your current "**Medicare & You**" handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Who Can Join?

To join **Medica Prime Solution** plans, you must be enrolled in Medicare Part B (or have both Medicare Part A and Medicare Part B), and live in our service area.

Our service area includes the following counties in **Wisconsin**: Ashland, Barron, Bayfield, Burnett, Clark, Douglas, Dunn, Iron, Pepin, Pierce, Polk, Price, Sawyer, St. Croix, Taylor, and Washburn.

Which doctors, hospitals, and pharmacies can I use?

Medica Prime Solution plans have a network of doctors, hospitals, pharmacies, and other providers. If you use the providers in our network, you may pay less for your covered services. But if you want to, you can also use providers that are not in our network.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. You may search for network providers and pharmacies on our website at Medica.com/GetMyDocs. Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Medica Prime Solution plan members get all of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider. You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, Medica.com/GetMyDocs. Or, call us and we will send you a copy of the formulary.
