Alignment Health Plan offers access to a network of doctors, hospitals, pharmacies, and other providers. If you use providers that are not in our network, the plan may not pay for the services. Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits. To learn more about coverage and costs of Original Medicare, look at the "Medicare & You" handbook. You can view it online at medicare.gov or request a copy by calling 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. This information is not a complete description of benefits. For complete details, including limitations and exclusions, please refer to the Evidence of Coverage (EOC) or call 1-866-634-2247 (TTY 711) 24 hours a day, 7 days a week.
