INTRODUCTION

The benefit information provided in this booklet is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, access our Evidence of Coverage online at healthplan.org/medicare. Or call us to request a copy.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at medicare.gov or get a copy by calling 1.800.MEDICARE (1.800.633.4227), 24 hours a day, 7 days a week. TTY users should call 1.877.486.2048.

The Health Plan SecureCare - Option II (HMO) is an HMO plan with a Medicare contract. Enrollment in The Health Plan SecureCare - Option II (HMO) depends on contract renewal.

ELIGIBILITY

To join The Health Plan SecureCare - Option II (HMO) you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area.

WHICH DOCTORS, HOSPITALS AND PHARMACIES CAN I USE?

This is a Health Maintenance Organization (HMO) plan. This means that The Health Plan SecureCare - Option II (HMO) has a network of doctors, hospitals, pharmacies and other providers. You can see current provider lists on our website at findadoc.healthplan.org. Or call us and we will send you a copy.

Our plan requires you to choose an in-network doctor to be your primary care provider (PCP). We do not require a referral from your PCP to see network providers, including network specialists, for covered services. However, some services do require prior authorization from the plan. Contact us for additional information. Even though your PCP is not required to refer you, we recommend that they help with coordinating your care. If you use providers that are not in our network, the plan may not pay for these services.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1.877.847.7915 (TTY: 711)**.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit healthplan.org/medicare or call **1.877.847.7915 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ **Effect on Current Coverage.** Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts.
- ☐ In addition to your monthly plan premium (if applicable), you must continue to pay your Medicare Part B premium if not otherwise paid by a third party like the state. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2028.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

Premium, Deductible, and Maximum Out-of-Pocket Limit	
Monthly Plan Premium	$33 You must continue to pay your Medicare Part B premium.
Annual Medical Deductible	This plan does not have a medical deductible.
Maximum Out-of-Pocket Responsibility (Does not include prescription drugs)	$7,500 annually Like all Medicare Advantage plans, this plan protects you by limiting your annual out-of-pocket costs for care. The amounts you pay for copays and coinsurance for in-network Medicare covered Part A and Part B services count towards the maximum out-of-pocket amount. If you reach the maximum out-of-pocket amount, you will not have to pay any additional out-of-pocket costs for Medicare covered Part A and B services for the rest of the year.

Medicare Prescription Payment Plan- Part D Rx

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket Medicare Part D drug costs by spreading them across the calendar year (January-December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage Plan with drug coverage) can use this payment option. **All plans offer this payment option and participation is voluntary**.

If you select this payment option, each month you'll continue to pay your plan premium (if you have one), and you'll get a bill from your health or drug plan to pay for your prescription drugs (instead of paying the pharmacy). There's no cost to participate in the Medicare Prescription Payment Plan. Please contact the plan for details.
