B. Frequently asked questions (FAQ)

The following table lists frequently asked questions.

Frequently Asked Questions	Answers
What's a MyCare Plan?	MyCare Ohio is a managed care program designed for Ohioans who receive BOTH Medicaid and Medicare benefits. This program has a team approach to coordinating your care based on your needs – a team with you at the center. The MyCare Ohio plan that you choose provides all the same benefits that Medicare and Medicaid offer, including long-term care services and mental/behavioral health services. Plus, your MyCare Ohio plan can include additional services to you.
Will I get the same Medicare and Medicaid benefits in Wellcare Buckeye MyCare Ohio Dual Align Unity (HMO D-SNP) that I get now?	You'll get most of your covered Medicare and Medicaid benefits directly from Wellcare Buckeye MyCare Ohio Dual Align Unity (HMO D-SNP). You'll work with a team of providers who will help determine what services will best meet your needs. This means that some of the services you get now may change based on your needs, and your doctor and care coordinator assessment. You may also get other benefits outside of your health plan the same way you do now, directly from a State or county agency or specialty mental health and substance use disorder services. When you enroll in Wellcare Buckeye MyCare Ohio Dual Align Unity (HMO D-SNP), you and your care coordinator will work together to develop an Individualized Plan of Care to address your health and support needs, reflecting your personal preferences and goals. If you're taking any Medicare Part D drugs that Wellcare Buckeye MyCare Ohio Dual Align Unity (HMO D-SNP) doesn't normally cover, you can get a temporary supply and we'll help you to transition to another drug or get an exception for Wellcare Buckeye MyCare Ohio Dual Align Unity (HMO D-SNP) to cover your drug if medically necessary. For more information, call Member Services at the numbers listed at the bottom of this page.

Frequently Asked Questions	Answers
Can I use the same doctors I use now?	This is often the case. If your providers (including doctors, hospitals, therapists, pharmacies, and other health care providers) work with Wellcare Buckeye MyCare Ohio Dual Align Unity (HMO D-SNP) and have a contract with us, you can keep going to them. • Providers with an agreement with us are "in-network." Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. **You must use the providers in Wellcare Buckeye MyCare Ohio Dual Align Unity (HMO D-SNP)'s network.** If you use providers or pharmacies that aren't in our network, the plan may not pay for these services or drugs. • If you need urgent or emergency care or out-of-area dialysis services, you can use providers outside of Wellcare Buckeye MyCare Ohio Dual Align Unity (HMO D-SNP)'s plan. • The plan must ensure member access to any federally qualified health center (FQHC) and/or rural health clinic (RHC), regardless of whether it's an in-network provider. • If you are getting assisted living waiver services or long-term nursing facility services from an out-of-network provider on and before the day you become a member, you can continue to get the services from that out-of-network provider. To find out if your providers are in the plan's network, call Member Services at the numbers listed at the bottom of this page or read Wellcare Buckeye MyCare Ohio Dual Align Unity (HMO D-SNP)'s *Provider and Pharmacy Directory* on the plan's website at go.wellcare.com/2027providerdirectories. If Wellcare Buckeye MyCare Ohio Dual Align Unity (HMO D-SNP) is new for you, we'll work with you to develop an Individualized Plan of Care to address your needs.

Understanding Important Rules

- ☐ Benefits may change on January 1, 2028.
- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use. If you have a Marketplace plan, you will need to contact the Marketplace to cancel the plan. If you do not cancel your Marketplace plan, you may be paying for coverage you cannot use and there may be penalties on your next year's tax return.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
