Hours of operation: 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

The Summary of Benefits does not list every covered service or rule. The Evidence of Coverage includes full details. Call us to request a copy.

Anthem Prime (HMO-POS) is a Medicare Advantage plan. It includes hospital, medical, and prescription drug benefits. To join this plan, the following must apply to you:

- You're entitled to Medicare Part A.
- You're enrolled in Medicare Part B.
- You live in our service area.

You can use doctors and facilities outside this plan's network for certain services. You can use either network or out-of-network providers for non-Medicare dental services covered by the plan. If you go outside the network, your out-of-pocket cost may be higher.

Medicare coverage that goes beyond Original Medicare

- Medicare Advantage plans cover everything Original Medicare covers — Part A (hospital services) and Part B (medical services) — plus more.
- Medicare Advantage Prescription Drug Plans cover Medicare Part D drugs and Part B drugs.

This is a Health Maintenance Organization Point of Service (HMO-POS) plan. That means:

- You will choose a primary care physician (PCP) in the plan's network of doctors for covered services. Your PCP provides most of your medical care, including routine care and hospitalizations. They can help you save time and money by directing you to specialists when needed.
- Before you visit a specialist, talk with your PCP first. They know your health history and can help you find the right care. You can use doctors who aren't in the plan for a limited number of services, but your costs may be higher.

If you choose a PCP that is part of an independent practice/physician association (IPA) or medical group, the specialists, ancillary providers, and hospitals available to you may be limited to only those contracted with the PCP's IPA or medical group.

Is your PCP in our plan's network of doctors?

If you need to change your primary care physician (PCP), give us a call and we'll help. Doctors can join or leave the network at any time, so check if they're in-network with our Find a Doctor tool online. Follow the steps listed.

How to find a doctor or provider in our plan:

- Go to **shop.anthem.com/medicare/ca**
  1. Enter your ZIP code and county. Then select **View All Plans**.
  2. Select the **Medicare Advantage** or **Medicare Advantage Special Needs** tab.
  3. Select **Add Providers**.
  4. Enter your search details (doctor's name, specialty, or provider type).
  5. Check that the doctor or provider is **in your plan's network** for this plan.
- Or, ask for the Provider Directory. The phone number is on page 2.

Find a pharmacy

Our plans include the majority of pharmacies in America. Check the Pharmacy Directory to confirm your pharmacy is in-network. If your pharmacy is not in this plan, you could end up paying more for your drugs.

To confirm your pharmacy is in your plan's network (or to find a new one), go to **shop.anthem.com/medicare/ca** to view the Pharmacy Directory. Enter your ZIP code and county, and then select **View All Plans.** Next, select **Medicare Advantage** or **Medicare Advantage Special Needs** tab and choose **Add Providers**. Select **Search for Pharmacies**, and enter your search details. You can also select to see which are Preferred pharmacies. Or you can call us and we'll send you the directory.

Our plan offers preferred and standard pharmacies. You may go to either type of pharmacy to fill your covered prescription drugs.

How to check if your prescriptions (or an acceptable alternative) are covered and what they may cost:

- Visit **shop.anthem.com/medicare/ca**
  1. Enter your ZIP code and county. Then select **View All Plans**.
  2. Select the **Medicare Advantage** or **Medicare Advantage Special Needs** tab.
  3. Select **Add Drugs**.
  4. Enter your prescription details (drug name, dosage, quantity, refill frequency). Then **Add Drug**.
  5. To add another prescription, select **Add another drug**. When you're ready, select **Select Pharmacy.**
  6. Open **Plan Details.** Select the **Prescriptions** tab, and then select **Drug Cost** to see coverage and cost details.
- You can also call us at the number on page 2 for a copy of the Formulary.

This package offers a **$200** reimbursement allowance toward the purchase of eyewear. The benefit applies to corrective (prescription) glasses, lenses, frames, and/or contact lenses.
Talk to your provider and confirm all coverage, costs, and codes prior to services being rendered.

Exclusions & limits for this benefit package:

- Safety eyewear, non-prescription sunglasses, and non-prescription lenses or contacts are not covered.
- To receive in-network cost sharing you must use in-network providers.

Since these services are not normally covered under Original Medicare, we offer them as a Supplemental Benefit for an extra monthly payment through this Optional Supplemental Package.

If you need emergency or urgent care, call 911 or go to the nearest doctor or facility that can help you. Most times, you must use doctors in our plan to receive covered medical care, except for emergencies and urgently needed care when doctors in our plan are not available, or dialysis services when you are out of the service area. If you receive routine care from doctors outside our plan, neither Medicare nor Anthem Blue Cross Partnership Plan will pay for it.

Discrimination is against the law. That's why we comply with applicable Federal civil rights laws and do not discriminate, exclude people or treat them differently on the basis of race, color, national origin, sex, age or disability.

See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area.

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

The number of stars show how well a plan performs.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-844-591-2082** TTY: **711**, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **https://shop.anthem.com/medicare/ca** or call **1-844-591-2082** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2027.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care.
