Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **888-873-0686 (TTY: 711)**.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **Humana.com/medicare** or call **888-873-0686 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary (Drug Guide) to make sure your drugs are covered.

Understanding Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. The Part A/Part B premiums may be paid for by TennCare (Medicaid).
- ☐ Benefits, premiums and/or copays/coinsurance may change on January 1, 2028.
- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have TRICARE, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact TRICARE for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid. This plan may enroll FBDE, QMB+, SLMB+.

Let's talk about Humana Gold Plus SNP-DE H4461-022 (HMO D-SNP)

Find out more about the Humana Gold Plus SNP-DE H4461-022 (HMO D-SNP) plan – including the health and drug services it covers – in this easy-to-use booklet.

Humana Gold Plus SNP-DE H4461-022 (HMO D-SNP) is a Dual Eligible Special Needs plan with a Medicare contract and a contract with TennCare (Medicaid) program. Enrollment in this Humana plan depends on contract renewal.

The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. For a complete list of services we cover, please refer to the plan's Evidence of Coverage on our website, **Humana.com/PlanInformation.**

As a member you must select an in-network doctor within the service area listed in this booklet to act as your Primary Care Provider (PCP). Humana Gold Plus SNP-DE H4461-022 (HMO D-SNP) has a network of doctors, hospitals, pharmacies and other providers. If you use providers who aren't in our network, the plan may not pay for these services unless the service is covered under the plan's out-of-network or point-of-service rules, or another exception applies.

You have access to Care Managers. Care Managers are nurses or care coordinators who support your health and well-being by providing additional services including acute- and chronic-care management, telephonic and in-person health support, assistance in coordinating Medicare and Medicaid benefits, educational resources and workshops, and support for families and caregivers.

To be eligible

If you receive both Medicare and Medicaid benefits, this means you are dual eligible. To enroll in Humana Gold Plus SNP-DE H4461-022 (HMO D-SNP), a Dual Eligible Special Needs Plan, you must be entitled to Medicare Part A and enrolled in Medicare Part B, live in our service area and also receive certain levels of assistance from TennCare (Medicaid).

To remain enrolled in this plan, you must have the Medicaid eligibility categories of FBDE, QMB+, SLMB+

Full Benefit Dual Eligible (FBDE): May help pay Medicare Part A and/or Part B premiums, and other cost-sharing (like deductibles, coinsurance, and copayments) and provides full Medicaid benefits for Medicaid services provided by Medicaid providers.

Qualified Medicare Beneficiary Plus (QMB+): Helps pay Medicare Part A and Part B premiums, and other cost-sharing (like deductibles, coinsurance, and copayments) and provides full Medicaid benefits for Medicaid services provided by Medicaid providers.

Specified Low-Income Medicare Beneficiary Plus (SLMB+): Helps pay Part B premiums and provides full Medicaid benefits for Medicaid services provided by Medicaid providers.

Need help finding a doctor or pharmacy? You can see this plan's **Provider and Pharmacy Directory** at our website at **Humana.com/FindCare** or call us at the number listed at the beginning of this booklet and we will send you one. Many doctor listings include a Care Highlight® rating. These ratings in clinical quality and cost-efficiency can help you make informed choices about your healthcare. Ratings only appear when we have enough information to measure a doctor's clinical quality and cost-efficiency. Learn more at **Humana.com/CareHighlight**.

You can see this plan's **Drug Guide** at our website at **Humana.com/druglist** or call us at the number listed at the beginning of this booklet and we will send you one.

Clinical quality and cost-efficiency ratings are available in all states except Alaska. Ratings are not available for all physicians. Care Highlight is intended for informational purposes only. Members have access to all physicians in the Humana network, regardless of whether or not the physician has a Care Highlight rating. Ratings should not be the sole basis for selecting a doctor. Humana does not give performance-based payments to doctors based on these ratings. Ratings do not guarantee the quality or outcome of healthcare services.

To find out more about the coverage and costs of Original Medicare, look in the current "Medicare & You" handbook. View it online at http://www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, seven days a week. TTY users should call 1-877-486-2048.

Humana Gold Plus SNP-DE H4461-022 (HMO D-SNP) has been approved by the National Committee for Quality Assurance (NCQA) to operate as a Special Needs Plan (SNP) until December 31, 2029 based on a review of the Humana Gold Plus SNP-DE H4461-022 (HMO D-SNP) Model of Care.

NOTICE: TennCare is not responsible for payment for these benefits, except for appropriate cost-sharing amounts. TennCare is not responsible for guaranteeing the availability or quality of these benefits. Any reference to more, extra, or additional Medicare benefits, is applicable to Medicare only and does not indicate increased Medicaid benefits.

If you get Medicare cost-share assistance, Humana Gold Plus SNP-DE H4461-022 (HMO D-SNP) providers aren't allowed to collect or bill you for services and items covered under Medicare Part A and Part B, including deductibles, coinsurance, and copayments – even when Medicaid payment is zero or a provider chooses to not submit to Medicaid. If a provider asks you to pay, that's against the law. You may however be responsible for a small Medicaid copayment.

If you are billed or asked to pay an in-network provider for deductibles, coinsurance, or copayments on covered Medicare Part A and Part B services, tell your provider you are cost-share protected and can't be charged. If you have already made payment, you have the right to a refund. If your provider will not stop billing, you can call us at 800-457-4708 or you can call Medicare at 1-800-MEDICARE (1-800-633-4227), (TTY

1-877-486-2048). Humana or Medicare can ask your provider to stop billing you and refund any payment you have made.

Your provider may choose to submit to TennCare (Medicaid) for consideration of additional secondary payment for an amount applied to deductibles, coinsurance, or copayments. If you are cost-share protected, providers are required by federal regulation to accept Humana Gold Plus SNP-DE H4461-022 (HMO D-SNP) primary payment and TennCare (Medicaid) secondary payment as payment in full for covered Medicare Part A and Part B services – even when the Medicaid payment is zero or a provider chooses to not submit to Medicaid.

Telehealth services shown are in addition to the Original Medicare covered telehealth. Your cost may be different for Original Medicare telehealth. Limitations on telehealth services, also referred to as virtual visits or telemedicine, vary by state. These services are not a substitute for emergency care and are not intended to replace your primary care provider or other providers in your network. Any descriptions of when to use telehealth services are for informational purposes only and should not be construed as medical advice. Please refer to your Evidence of Coverage for additional details on what this plan may cover or other rules that may apply.

Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits.
