Who can join?

To join **Clover Health LiveHealthy Premier (PPO) (Plan 045)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and must live in the service area of the plan.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and more. Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

We cover Part D drugs.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, **cloverhealth.com/formulary** or call us and we will send you a copy of the formulary.

For coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at **www.medicare.gov** or get a copy by calling 1-800-MEDICARE (1-800-633-4227). TTY/TDD users should call 1-877-486-2048.

How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary (Drug List) to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier, what pharmacy you use, and what benefit stage you have reached. Later in this document we discuss the benefit stages that occur: Deductible Stage, Initial Coverage, and Catastrophic Coverage. For additional information, review Chapter 6 of your Evidence of Coverage.

If you have any questions about this plan's benefits or costs, please contact Clover Health.

Clover Dental is powered by NationsBenefits. You can see in- or out-of-network providers for dental services (out-of-network providers must be licensed in the U.S.), however seeing an in-network provider will result in substantially lower out-of-pocket costs for you. An out-of-network provider is not contracted with Clover Health and may bill more than what Clover Health pays for that service. You will be responsible for any applicable copay or coinsurance, plus the difference between the provider's billed amount and what Clover Health pays, even for services listed with no member cost-share. Benefits received out-of-network are subject to any benefit maximums, limitations, and/or exclusions.
