This plan(s) allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care.

Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits. To learn more about coverage and costs of Original Medicare, look at the "Medicare & You" handbook. You can view it online at medicare.gov or request a copy by calling 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. This information is not a complete description of benefits. For complete details, including limitations and exclusions, please refer to the Evidence of Coverage (EOC) or call 1-866-634-2247 (TTY 711) 24 hours a day, 7 days a week.
