Who Can Join This Plan

To enroll in **PruittHealth Premier Advantage (HMO I-SNP)**, you must:

- Have **Medicare Part A and Part B**
- Live in the plan's **service area** (i.e., you must reside in a county served by our plan)
- Be a United States citizen, national, or an eligible noncitizen
- Meet special eligibility requirements detailed below

What are the special eligibility requirements? This plan is for people who need a level of care usually provided in a senior living community. You may qualify if you:

- Live in or intend to live in one of our participating senior living communities for more than 90 days, or
- Live in a community setting and meet the institutional level of care

A list of participating senior living communities is available in the Provider Directory on **PruittHealthPremier.com/Search-Our-Network**, or you can call Member Services to request a copy.

Our Service Area

North Carolina: We service Cabarrus, Carteret, Craven, Durham, Forsyth, Pitt, Richmond, Rockingham, Rowan, Surry, Transylvania, Union, and Wake counties.

Providers and Network

This plan has a network of doctors, hospitals, pharmacies, and other providers. You can find the full list of providers in our online directory at **PruittHealthPremier.com/Search-Our-Network**.

This plan is an HMO (Health Maintenance Organization). Generally, you are required to use providers in the plan's network. If you use providers outside the plan's network, the plan may not pay for those services. Care received outside the network is usually covered only in emergencies. If you do not see your doctor in-network, please contact Member Services to determine if there can be an exception.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information.

Understanding your Medicare or Medicaid Coverage

Medicare Information

To learn more about Original Medicare coverage and costs, review the **Medicare & You 2027 handbook**. You can find it online at **www.medicare.gov** or request a copy by calling **1-800-MEDICARE (1-800-633-4227)**, available 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Medicaid Coverage and Cost-Sharing

If you are enrolled in Medicaid or other assistance programs, you may receive help paying for your plan premium and some out-of-pocket costs. Depending on your eligibility, you may not have to pay certain premiums, copays, or coinsurance amounts shown in this Summary of Benefits. Enrolling into this plan will not impact your assistance.

Medicaid coverage and cost-sharing rules are set by the State and depend on your individual eligibility.

Special Supplemental Benefits for the Chronically Ill (SSBCI) benefits

Some extra benefits are available only to members with certain chronic conditions. These benefits are called Special Supplemental Benefits for the Chronically Ill (SSBCI).

Not all members qualify. To be eligible, a member must have one or more comorbid and medically complex chronic conditions that is life threatening or significantly limits the overall health or function of the enrollee, be determined by the plan and a healthcare provider to be at high risk for hospitalization or other adverse health outcomes, and require a high level of care coordination. Even if a member has a qualifying chronic condition, they may not receive these benefits. Coverage depends on the plan's specific eligibility criteria and clinical determination. Members may be required to complete an assessment with the plan's care team to confirm eligibility throughout the year.

You may be eligible if you have one of the following conditions:

- Autoimmune disorders
- Cancer
- Cardiovascular disorders
- Chronic alcohol use disorder and other substance use disorders (SUDs)
- Chronic and disabling mental health conditions
- Chronic conditions that impair vision, hearing (deafness), taste, touch, and smell
- Chronic gastrointestinal disease
- Chronic heart failure
- Chronic hyperlipidemia
- Chronic hypertension
- Chronic kidney disease (CKD)
- Chronic lung disorders
- Chronic malnutrition including failure to thrive
- Conditions associated with cognitive impairment
- Conditions that require continued therapy services in order for individuals to maintain or retain functioning
- Conditions with functional challenges
- Dementia
- Diabetes mellitus
- HIV/AIDS
- Immunodeficiency and Immunosuppressive disorders
- Neurologic disorders
- Overweight, obesity, and metabolic syndrome
- Post-organ transplantation
- Severe hematologic disorders
- Stroke

Glossary

Coinsurance

The percentage of the plan-allowed amount you may have to pay for a covered service. This does not include the total cost of service. This usually applies after you pay your deductible.

- **Plan-allowed amount**: This is the amount the plan agrees to pay for a covered service. It is set by the plan, not the doctor or hospital.
- **Billed charges**: This is the amount the provider bills for the service. It can be higher than the plan-approved amount, but the plan does not use this amount to calculate what you pay.

Copayment (Copay)

A set dollar amount you pay for a covered service, such as a doctor visit or prescription.

Comprehensive Care

Care that covers a wide range of health needs. This extends beyond preventive care, and routine care to specialty care, and care for ongoing or complex health conditions.

Cost-sharing

The part of health care costs you may have to pay, such as copays, coinsurance, or deductibles. These amounts may be different if you have Medicaid.

Covered Services

Health care services that your plan includes and helps pay for, based on plan rules.

Deductible

The amount you pay for covered services before your plan starts to pay.

Dual Eligible

A person who qualifies for both Medicare and Medicaid. Coverage and costs may be different based on the level of Medicaid eligibility.

D-SNP (Dual Eligible Special Needs Plan)

A type of Medicare Advantage plan for people who qualify for both Medicare and Medicaid. D-SNPs are designed to coordinate Medicare and Medicaid benefits and help manage care for members who receive coverage from both programs. Eligibility and benefits may vary based on Medicaid status and state rules.

HMO (Health Maintenance Organization)

A type of health plan that usually requires you to use doctors and hospitals in the plan's network. You may need to choose a primary care provider and get referrals to see specialists. Care outside the network is usually covered only in emergencies.

Low-income Subsidy (LIS) / Extra Help

A federal program that helps people with limited income pay for Medicare prescription drug costs, such as premiums and copays.

Medicaid

A federal and state program that helps pay health care costs for people with limited income. Rules and benefits vary by state.

Medically Necessary

Care or supplies needed to diagnose or treat health conditions and that follow accepted medical standards.

Medicare

A federal health insurance program for people age 65 or older, and for some people under 65 with disabilities or certain medical conditions.

Medicare Advantage (Part C)

A Medicare health plan offered by a private insurance company that provides Medicare Part A and Part B benefits and usually includes prescription drug coverage.

Medicare Savings Programs (MSPs)

State programs that help pay Medicare premiums and, in some cases, other out-of-pocket costs for eligible individuals.

Network Provider

A doctor, hospital, or facility that works with the plan and agrees to set prices for services.

POS (Point of Service)

A plan feature that allows you to receive certain covered services from providers outside the plan's approved network. Using out-of-network providers may cost more and may require plan approval.

PPO (Preferred Provider Organization)

A type of health plan that allows you to see doctors and hospitals both in and out of the plan's network. Using network providers usually costs less. Referrals are not usually required.

Premium

The amount paid each month for health plan coverage. Some members may have premiums paid by Medicaid or other assistance programs, depending on eligibility.

Preventive Care

Health care that helps prevent illness or find health problems early. This may include checkups, screenings, vaccines, and wellness visits.

Primary Care Provider (PCP)

The doctor or health care provider you see for routine care and who helps manage your overall health care.

Prior Authorization

Written approval needed from the plan before certain services or medications are covered.

Routine Care

Health care provided on a regular or yearly basis to help maintain your health. This often includes yearly exams used to check your health when no illness or injury is present.

Specialist

A doctor who focuses on care for a specific condition or type of treatment.

SSBCI (Special Supplemental Benefits for the Chronically Ill)

Additional benefits that some Medicare Advantage plans may offer to certain members with chronic health conditions, when allowed by Medicare rules.

SSBCI benefits are not available to all members, require the member to meet specific eligibility criteria, and are offered at the plan's discretion. Not all plans offer SSBCI benefits.

PruittHealth Premier Advantage (HMO I-SNP) has a network of doctors, hospitals, pharmacies, and other providers that can be found on our website at **PruittHealthPremier.com**. If you use providers that are not in our network, the plan may not pay for these services.

This document is also available in braille and in large print.
