Summary of Benefits

DEVOTED CHOICE 003 AZ (PPO) Plan

PBP Number: H6586-003-000

Service Area

Pima

PPO

This Summary of Benefits tells you about our DEVOTED CHOICE 003 AZ (PPO) plan. It includes information on plan costs and some of the common services we cover. It's valid for the 2027 plan year, which starts on January 1, 2027 and ends on December 31, 2027.

Because this document is a summary, it doesn't list all of the coverage details for this plan. If you need to know more, check the plan's **Evidence of Coverage (EOC)** at www.devoted.com. Or call us at 1-800-385-0916 (TTY 711), and we can mail you one.

Can I join this plan?
DEVOTED CHOICE 003 AZ (PPO) is a Preferred Provider Organization, or PPO plan. To join DEVOTED CHOICE 003 AZ (PPO), you must be entitled to Medicare Part A and enrolled in Medicare Part B. You also have to live in this plan's service area, which includes **this county: Pima.**
We offer different plans for other counties.

Does this plan cover my prescription drugs?
Find out by searching our online drug list at www.devoted.com/search-drugs. Or give us a call or chat. We can look up your medications or mail you our list of covered drugs (formulary).

Does this plan cover my doctors and pharmacies?
Find out by searching our online directory at www.devoted.com/search-providers. Or give us a call or chat. We can look up your doctors and pharmacies or mail you a directory.

Can I see out-of-network providers?
Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you, they must not be on any government sanction list, and they must participate in Medicare and accept Medicare reimbursement in order for the plan to cover Medicare-covered services. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you may pay a higher cost share for services provided by non-contracted providers.

How can I learn about Original Medicare?
Check the latest *Medicare & You* handbook. If you don't have one, visit www.medicare.gov and enter "Medicare & You handbook" in the search tool. (Include the quotation marks for best results.) Or ask Medicare to send you one by calling 1-800-MEDICARE (1-800-633-4227) any day, any time. TTY users can dial 1-877-486-2048.

How can I get more help?
Call us at 1-800-385-0916 (TTY 711). We're here 8am to 8pm, Monday to Friday (from October 1 to March 31, 8am to 8pm, 7 days a week). You can also visit us online at www.devoted.com.

Once you are a Devoted Health member, you can also chat with us, manage your plan, and more in the MyDevoted™ app or at my.devoted.com.

IMPORTANT: If you receive Medicaid or Extra Help, your cost-sharing may be lower than what's listed here.
Changes in your Medicaid eligibility or Extra Help level may affect your cost share. For more details, refer to the Evidence of Coverage. To get it, visit www.devoted.com or call 1-800-385-0916 (TTY 711).

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call us at 1-800-385-0916 (TTY 711).

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www.devoted.com, or call 1-800-385-0916 (TTY 711) to view a copy of the EOC.

- As a member of this plan, you can see providers that are in Devoted Health's network, or you can choose to see doctors who are out of network. If you see an out-of-network doctor, you may pay a higher cost share. You can review the provider directory (or ask your doctor) to see if the doctors you see now are in the Devoted Health network.

- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the Devoted Health network. If the pharmacy is not listed, you may choose to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.

- Benefits, premiums, and/or copayments/ coinsurance may change on January 1, 2028.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you may pay a higher copay for services received by non-contracted providers.
