INTRODUCTION

The benefit information provided in this booklet is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, access our Evidence of Coverage online at healthplan.org/medicare. Or call us to request a copy.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at medicare.gov or get a copy by calling 1.800.MEDICARE (1.800.633.4227), 24 hours a day, 7 days a week. TTY users should call 1.877.486.2048.

The Health Plan SecureChoice Reliance (PPO) is a PPO plan with a Medicare contract. Enrollment in The Health Plan SecureChoice Reliance (PPO) depends on contract renewal.

ELIGIBILITY

To join The Health Plan SecureChoice Reliance (PPO) you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area.

WHICH DOCTORS, HOSPITALS AND PHARMACIES CAN I USE?

This is a Preferred Provider Organization (PPO) plan. This means that even though we have a network of doctors, hospitals, pharmacies and other providers, you may use providers that are not in our network. However, if you use providers outside of our network, your costs may be higher. No referral is needed, but some services do require prior authorization from the plan.

Out-of-network/non-contracted providers are under no obligation to treat SecureChoice Reliance (PPO) members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

You can see current provider lists on our website at findadoc.healthplan.org. Or call us and we will send you a copy.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1.877.847.7915. (TTY: 711)**.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit healthplan.org/medicare or call **1.877.847.7915 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ **Effect on Current Coverage**. Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts.
- ☐ In addition to your monthly plan premium (if applicable), you must continue to pay your Medicare Part B premium if not otherwise paid by a third party like the state. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2028.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.

Premium, Deductible, and Maximum Out-of-Pocket Limit	
Monthly Plan Premium	$67 You must continue to pay your Medicare Part B premium
Annual Medical Deductible	This plan does not have a medical deductible.
Maximum Out-of-Pocket Responsibility (does not include prescription drugs)	$7,000 for Medicare-covered services you receive from providers in our plan. $10,100 for Medicare-covered services you receive from providers both in and out of our plan. Like all Medicare Advantage plans, this plan protects you by limiting your annual out-of-pocket costs for care. The amounts you pay for copays and coinsurance for Medicare covered Part A and Part B services count towards the maximum out-of-pocket amount. If you reach the maximum out-of-pocket amount, you will not have to pay any additional out-of-pocket costs for Medicare covered Part A and B services for the rest of the year.

Medicare Prescription Payment Plan- Part D Rx
The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket Medicare Part D drug costs by spreading them across the calendar year (January-December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage Plan with drug coverage) can use this payment option. **All plans offer this payment option and participation is voluntary**.

If you select this payment option, each month you'll continue to pay your plan premium (if you have one), and you'll get a bill from your health or drug plan to pay for your prescription drugs (instead of paying the pharmacy). There's no cost to participate in the Medicare Prescription Payment Plan. Please contact the plan for details.
