About the Plan

Which doctors, hospitals, and pharmacies can I use?
The Healthy Mississippi Premier Advantage (HMO-POS) Plan has a network of doctors, hospitals, and other providers. Our plan also offers a Point-Of-Service (POS) out-of-network benefit. For all Medicare-covered services, you have out-of-network coverage. This means, for some services, you may go out-of-network. Please refer to your *Evidence of Coverage* (EOC) for more detailed information.

Our in-network providers have a tiering system. If you see a Tier 1 provider, you will have the lowest cost sharing. If you see a Tier 2 provider, you will have a higher cost sharing. You can check the tier of a provider on our website at www.healthy-ms.com, or you can call us at 833-201-6413 (TTY users dial 711), 8:00 am – 8:00 pm CST 7 days a week from October 1 to March 31, and Monday through Friday from April 1 to September 30.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

What do we cover?

- We cover all benefits covered by Original Medicare

- We also cover some benefits that Original Medicare does not cover. Some of these benefits are highlighted in this Summary of Benefits. For a complete list, please refer to your EOC.
- You can see the plan's Drug List, which is also called a formulary, which lists the Part D prescription drugs we cover, along with any restrictions on our website at www.healthy-ms.com
- You can also call us for a copy of the Drug List.

This benefit information is a brief summary of your benefits. It does not list every benefit, or every exclusion. To get a complete list, please refer to the EOC on our website at www.healthy-ms.com. You may also call us and ask us to mail you a copy of the EOC.
