MINNESOTA – SOUTH
Medica Advantage® (PPO) Plans

Summary of Benefits

January 1, 2027 – December 31, 2027

This is a summary of drug and health services covered by **Medica Advantage Essential (PPO)**, **Select (PPO),** and **Salute (PPO)**.

This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the *Evidence of Coverage*.

You have choices about how to get your Medicare benefits

One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.

Another choice is to get your Medicare benefits by joining a Medicare Advantage plan (**such as Medica Advantage Essential (PPO)**, **Select (PPO)**, or **Salute (PPO)**).

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **Medica Advantage** plans cover and what you pay. If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on www.medicare.gov.

If you want to know more about the coverage and costs of Original Medicare, look in your current "**Medicare & You**" handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Who Can Join?

To join **Medica Advantage** plans, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area.

Our service area includes the following counties in **Minnesota**: Big Stone, Blue Earth, Brown, Cottonwood, Dodge, Faribault, Fillmore, Freeborn, Houston, Jackson, Lac Qui Parle, Lincoln, Lyon, Martin, Mower, Murray, Nicollet, Nobles, Olmsted, Redwood, Steele, Wabasha, Waseca, Watonwan, and Winona.

Which doctors, hospitals, and pharmacies can I use?

Medica Advantage plans have a network of doctors, hospitals, pharmacies, and other providers. You pay your lowest cost sharing when you visit an in-network provider. You have coverage for services at out-of-network providers, but you may pay more. Coverage for emergency care is the same in network as it is out of network (within the U.S. and its territories) plus you have coverage worldwide. Covered services that need approval in advance to be covered as in-network services are marked by an asterisk (*).

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Our network includes pharmacies with preferred cost sharing, which may offer you lower cost sharing than the standard cost sharing offered by other network pharmacies for some drugs. You may search for network providers and pharmacies on our website at Medica.com/MyPlanDocs. Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Medica Advantage Essential (PPO) and **Select (PPO)** cover everything that Original Medicare covers – plus more. Our plans cover medical and hospital services, Part D outpatient prescription drugs, and protect you from unlimited out-of-pocket costs.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider. You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, Medica.com/MyPlanDocs. Or, call us and we will send you a copy of the formulary.

Medica Advantage Salute (PPO) covers everything that Original Medicare covers – plus more. Our plan covers medical and hospital services and protects you from unlimited out-of-pocket costs.

We cover Part B drugs such as chemotherapy and some drugs administered by your provider. You can see the complete plan formulary and any restrictions on our website, Medica.com/MyPlanDocs. Or, call us and we will send you a copy of the formulary.
